Jorge Madson S. Viana

Software Engineer | Javascript | Crypto | Web3
Curitiba

Summary

People always say that I am a good person to have on the team and I have to say that talking to people and sharing knowledge energizes me.

I have 5 years of experience, with 3 in Web Applications, 2 in Mobile Applications.

- I have an entrepreneurial spirit, I like to build and make it grow.
- Experience building complicated UIs with Responsive Web Design using Agile Methodologies.
- Oriented to User Experience (UX) and challenges.
- I love Software Development, Engineering and Web 3.0.
